The Devastating Impact of Evolution

“In those days there was no king in Israel: every man did that which was right in his own eyes.” Judges 21:25

Though no one knew it at the time it started, evolution has grown into a monster that has enslaved both the Church and the culture. The world latched on to evolution immediately because it provided a way to “explain” how the world was created and formed without God. As Ken Ham stated in *The Lie*, “Evolution is a religion that enables people to justify writing their own rules.” Just like in the time of the judges, people today want to do what they want to do, what they feel is right. The bad thing is our feelings and wants should never be trusted as they are ruled by sin. Evolution allows people to make their own rules and do what feels good; thus, gay marriage, abortion, pornography, etc. are acceptable. There is no point in regulating things like this, especially if we just come from animals as evolutionists claim. Evolution’s impact on the culture has just given them something to use as a religion in place of Christianity.

The impact of evolution on the Church is that it is destroying the foundation of Christianity. Many churches are compromising the Bible in order to align it with evolution to please the culture, so they can be “tolerant” of the rest of the world. Some want to do as the world does and do what is right in their own eyes, while others have no defense for why they believe what they believe. They do not realize that denying the book of Genesis and triumphing evolution is chipping away at the foundation of Christianity in the eyes of the world. Genesis is the basis for everything in Christianity; without Genesis, there is no point in Christianity. In Genesis, we find science in the origin of the world and the worldwide flood that provides explanations for fossils and the geological record. In Genesis we also find social expectations: marriage is one man and one woman, and marriage comes before children. In Genesis, we also find salvation, for without the story of the Fall and sin entering human nature, we would have no need of Jesus’ death on the cross. Genesis is the foundation for the rest of the Bible. If we deny Genesis, we are denying the whole Bible and the sacrifice Jesus made for us.

In order to lessen the impact on both the Church and the culture, Christians need to learn and teach the importance of the book of Genesis. This teaching needs to occur in both the home and the church to keep young people from leaving the Church as a result of this issue. Because young people are not taught this from an early age, they get confused and start having doubts when they get into the public schools and colleges, which results in many of them leaving church completely. To get the current generation back and prevent this harm from being spread to other generations, the Church has to band together and put a stop to the compromise. It has to happen now; it cannot wait. Evolution is a dangerous concept because it rots the morals of the generations that grow up believing it. From a Christian standpoint, the impact evolution has had on both the Church and the culture is devastating, and it is time to win the current generations back to Christianity so the impact of evolution can be minimized for future generations. -Kalyn Lewis

Never Alone Ministry (NAM)

The Never Alone Ministry's purposes are to cultivate fellowship and support among widows and widowers of all ages in a loving Christian environment and to find opportunities to become involved in serving with the church. We usually have a Sunday luncheon every other month, which includes an activity and/or guest speaker; we occasionally go on field trips; and we have a group who gets together weekly to walk. Some of our members have also been involved in a visitation program for church family who are homebound or in nursing homes. A word from two of our members:

2 Corinthians 1:3-4 tells us that the God of all comfort comforts us in all our trouble so that we can comfort those in any trouble with the comfort we ourselves have received from God. The Never Alone Ministry allows widows and widowers to come along side each other and be a help and a blessing to those who are walking the same journey. -Arlene Engelhart

NAM is a group of widows and widowers trying to adjust to living without our spouse. It is a time of fellowship with those of an understanding heart who know the loss we feel and how our lives have changed. We encourage one another, share our concerns, listen to memories, laugh or cry, and share God's love. We are never alone. -Lynn Hardy

"A father of the fatherless, and a judge of the widows, is God in his holy habitation" Psalm 68:5. "Learn to do well; seek judgment, relieve the oppressed, judge the fatherless, plead for the widow" Isaiah 1:17. "Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world" James 1:27. If you are a widow or widower, we would love for you to join us! For questions, please contact Samantha Wyatt at 787-0710.

#CREW Corner

"8 First, I thank my God through Jesus Christ for you all, that your faith is spoken of throughout the whole world. 9 For God is my witness, whom I serve with my spirit in the gospel of his Son, that without ceasing I make mention of you always in my prayers; 10 Making request, if by any means now at length I might have a prosperous journey by the will of God to come unto you. 11 For I long to see you, that I may impart unto you some spiritual gift, to the end ye may be established; 12 That is, that I may be comforted together with you by the mutual faith both of you and me." -Romans 1:8-12

The apostle Paul wrote a long doctrinal letter to the church at Rome, but began the letter expressing his desire to be with them. He was encouraged by the fellowship of other believers half way across the known world and was excited to know that the church was being a light in their community. He longed to come be a part of their work, but what he couldn't do physically, he did spiritually by praying for them. He ached to see them and wanted to leave them with a little something extra as he ministered there with them.

This summer we are returning to Rehoboth Baptist Church in Tucker Ga for our CREW mission trip. We will be leaving LRBC after AM service on June 4th and returning either the 9th or the 10th (tbd). The entire cost for your student to join us on the trip is going to be \$40. It's my desire that all of our students are able to come to be an encouragement and help to Rehoboth Baptist this summer.

You are God's masterpiece!
